Don DeVere
President

As most members are aware, Paul Kroll has returned as our General Manager and is quickly getting up to speed on ACC business. We feel fortunate to have Paul back and I hope you will join me in welcoming him.

As the summer months roll around, many members traditionally turn their attention to the outdoors and sometimes lose sight of the club. Your Board of Directors and staff has purposefully set out to change that with a set of initiatives to keep the ACC front and center during the warm months. There is, of course, the new sidewalk café for al fresco dining and drinking, but your membership provides many other opportunities to enjoy summer; golf at Columbus Country Club, sporting clays through our Rod and Gun club, kickball with our ACC team, and when it really heats up, cool down with bowling and beverages in The Booth. To top it all off, we are taking over Lazelle Street (adjacent to the clubhouse) on August 4th for our first ever "Summer Soirée," a low country shrimp boil featuring live music and your favorite beverages. This event is sure to sell out so sign up quickly via our website or at the front desk.

Paul Kroll, Jr., CCM
General Manager

I feel both fortunate and proud to have been awarded the position of General Manager at The Athletic Club a second time. During my tenure over the past eight years, the prevailing sentiment that we were in exciting times with a bright future was accurate, every year, in its own way. Thanks to the bold planning and actions of the Club's volunteer committees and the persistence of the professional staff, we find ourselves in an unprecedented exciting time. The Club continues to benefit from modern governance practices that have defined who we are and what we will do to shape our future prosperity. Now, that's exciting! This focus and action has visibly manifested in the first floor renovation, new dining options with a Café and patio seating, and programming. Only a few years ago, throwing a blow-out party during the sleepy month of August was unthinkable. Well, the club no longer sleeps - Check out the Summer Soirée Shrimp Boil on August 4th on page 9.

Focus and action have also allowed us to define and voice our values to our membership and the greater Columbus community. Through the platforms of the strategic plan and branding initiative, we were able to articulate the values that the club already held, guiding us in our current action. The Club's committees and staff are committed to demonstrating these traits, embracing diversity, tradition, fostering belonging, civility, and letting our Midwest hospitality shine through. I am privileged to be part of this exciting time and this bright future.

MEMBER *appreciation* MONTH

July is Member Appreciation Month at the ACC! We are so thankful for our members, from those that have been at the Club for 40 years to those who have just joined and are jumping right in. We have an engaged and thoughtful membership that keeps the Club moving forward. It's time to say "thank you" for all that you do to make the ACC a great place to be!

Throughout this issue of the magazine, you'll find a few perks to enjoy throughout the month of July. Check out page 9 for ***features in Carmichael's Bar and Lounge*** and read more about the Athletics ***fitness challenge*** on page 10 that is complimentary for members to participate in. Plus, the ***ACC Spa and the ACC Café*** are partnering together to help you relax and refresh during the month.

On the membership side of things, it's your chance to "double your rewards" for sponsoring new members to join the ACC. The Sponsor Reward program works like this: every time a current member sponsors a new member to join, that current member receives a $100 ACC gift card. During the month of July, the Sponsor Reward is doubled, giving current members the chance to earn a ***$200 ACC gift card*** for sponsoring a new member to join the Club! *The new member must apply and be approved for membership during the month of July.* We look forward to welcoming your friends and family to the Club during this exciting time!
