SPRINGTIME IN PARIS

ANNUAL SPRING FLING PARTY

FRIDAY, APRIL 11 • 7 - 11 PM

SEE PAGE 14 FOR DETAILS

Paul Kroll, Jr., CCM
General Manager

Reminder:
Locker Policy

With more and more members (and guests) using the athletic facilities on a day-to-day basis, it is important to be reminded of our Locker Room policy regarding locker usage and availability.

Members with a reserved locker are encouraged to use their locker to store their belongings while in and away from the Club.

Members (and guests) without a reserved locker are encouraged to use the Day/Guest Lockers while in the Club.

The Club cannot be held responsible for any belongings left outside of lockers. Belongings left for a period of 48 hours will be collected and donated.

As your choices in the modern world continue to expand, so does your Club's pursuit to keep in step with these options and your evolving expectations. In recent months alone, we have added new fitness equipment, developed a coffee brand, and are in the process of creating a new group fitness space and an unmatched bowling lounge. These improvements stand as recent examples of keeping a comfortable yet brisk pace as far as ongoing modernization is concerned. Along these lines, we are delighted to announce the latest benefit that will keep our club bubbling. Beginning in March, you will find 102 boutique-level wines on our Wine List set to state minimum pricing.

This move has a number of implications for the Club's wine enthusiasts of all levels. The new approach gives the membership the ability to explore new wines with the added confidence that the Club's Sommeliers are selecting the best examples from the best producers. That being said, beyond the fair pricing, you will also notice dozens of new labels added to our wine list. The ilk of producers you will find are first rate, to name just a few: Shafer, Cakebread, Caymus, Silver Oak, Flowers, Gaja, Antinori, and Veuve Cliqout. *Please visit the ACC website's Dining page to view the new Wine List in its entirety.*

In addition to the extensive new Wine List, other food and beverage programs and options are making headway as well. A new Spirits Society is taking shape, giving members an opportunity to share their ideas for the Club's liquor programs and offerings. The first event from this group is the Watershed Distillery Tasting on April 23. If you're into hops, we hope you are enjoying the rotating beer selections on tap. And, finally, the food. New menus for Carmichael's Pub and the Grill Room will be unveiled this spring, featuring locally-sourced produce and seasonally appropriate dishes.

On another note, I extend a sincere thank you to Lisa Antolino for her past years of commitment to the ACC. This past year was Lisa's last on the Board of Directors. Her tenure as Board member and President was during a pivotal time of ACC history. Her sincere and collaborative nature are characteristics that have always been at the center of the Club's vitality.

As I write my first article as President of the Club, I must first extend heartfelt thanks to our outgoing President, Andy Smith, for his vision and guidance that carried the Club through a successful and eventful 2013. From the opening of our new Spa, to the completion of the sidewalk repair project, to the start of the bowling alley renovation, Andy has led us as we have made strides towards a better ACC. We look forward to his continued direction and input as Immediate Past President.

David M. McCurdy
President

Lisa Antolino left the Board and her role as Immediate Past President in February, and we will sincerely miss her insight. Her leadership during our Centennial year was remarkable, and I thank Lisa for her continued dedication to the Club.

Join me in welcoming our newest Director to the ranks. Don DeVere has been an active member for many years, most recently serving as an integral part of our Facilities Committee. Don's creative mind and extensive knowledge of our 100-year old clubhouse will be invaluable as we reimagine and recreate even more of our club spaces. We look forward to his continued contributions as we embark on additional renovation projects that are sure to add value to our membership for years to come.

I look forward to serving as your President over the course of this next year. I want to share a few of the projects that I hope to see come to fruition during my tenure. "The Booth", our new and improved bowling lounge named for our Club's first President, Henry Booth, is slated to open in a couple of months. The Group Fitness Studio on the 6th floor will also be completed this spring. This new facility will provide members with a dedicated space for Pilates reformer training and a wide variety of classes. As far as additional improvements, the Board recently approved a three-year capital project plan for the clubhouse. Specific enhancements and the outline of that plan are just beginning to take shape.

In addition to new capital projects, you will likely see many new faces around the clubhouse. Membership growth has been steady over the past year and we are pleased to see that trend continue into 2014. Please take a moment to introduce yourself and welcome your fellow members to the Club. There have been additions to the staff as well. Mike Delcour joined the ACC as Assistant General Manager last October. Mike has spent his first 5 months focused primarily on improving our food and beverage operations. He is committed to making the ACC a premium dining and event provider.

This is an exciting time for me to be a part of our Club. Athletic programs are booming, exciting and well-attended events are filling the calendar (don't forget about the Spring Fling on April 11!), and our clubhouse is changing for the better. I'm thrilled to see all that we have accomplished thus far, and eagerly await all that is to come!

Please feel free to contact me with thoughts, comments, or suggestions as we move forward together.
See you around the Club.
