I look forward to serving as your president in the coming year as we continue to improve our iconic club. This past year we have implemented significant physical changes to our first floor and adopted a roadmap for our future with the completion of our branding initiative and strategic plan. Hats off to Mark Sell for his incredible leadership as ACC President overseeing this work.

If you have not had the opportunity to read our Brand Positioning Strategy, I encourage you to do so. For your convenience, the Story Statement is re-printed on page 4 of this issue. Our brand strategy was born from countless interviews, focus groups, surveys and other data collected from members, and I believe truly represents our collective values and aspirations. While housed in a landmark building and founded on timeless principles of wellness and comradery, the ACC is open to change and embraces the future: The Modern City Club.

Don DeVere
President

This spring we will be introducing the final phase of our first-floor renovation, our sidewalk café which will offer members the opportunity to eat and drink al fresco. This outdoor seating area, to be located in front of the café, will be a continuation of our effort to “open up” the clubhouse—making it more approachable and visible.

Stay tuned for future programming announcements. Your club has so much to offer. Make sure you take advantage of it!

ON THE COVER . . .

In October of 2018, the Board and ACC management partnered with VENN Growth Collective to define our brand essence, as well as discover specific growth strategies to propel our Club forward. After months of research and work with the Branding Committee, it's time to share our findings. Below is our story as we grow into the future:

*The Athletic Club of Columbus is a Columbus **icon**. Established in 1912 and housed in an architectural masterpiece, the Club is located in the heart of one of the country's fastest growing and most dynamic cities. It has been a home-away-from-home for Columbus's most influential business professionals and their families for more than a century.*

*Today, we honor our rich **heritage and tradition**, but with an eye toward the future and an openness to change. We've **redefined exclusivity** as a measure of unassailable character, talent, and achievement of an increasingly diverse membership—our city's most well-known and highly respected professionals from a cross-section of fields. Our diversity **demand**s civility between our members. We promote respect and an openness to differing ideas and views to foster a sense of **belonging**, and to cultivate lifelong bonds between our members.*

*The ACC is an **urban oasis** for the **mind, body, and spirit**; which like our downtown, brims with activity **morning, noon, and night**. Our members enjoy a **welcoming, relaxed** environment steeped in **Midwestern hospitality, casual elegance**, and an unmatched **attentiveness** to detail. We offer an unparalleled mix of services, programming, and state-of-the-art amenities that empower our members to **rejuvenate** their bodies, reward their palates, pursue their passions, expand their perspectives, and forge powerful personal and professional relationships.*

*Life balance is achieved through a healthy mix of individual and group exercise, and spa services that **invigorate** the body. For good measure, our social, dining, and clubs-within-a-club experiences enable our members to **indulge** in a bit of hedonism.*

*This holistic mix of wellness options and social interaction between our exclusive, but diverse, membership makes the ACC the only **Modern City Club** in Columbus. A club with a proud history, but focused on the promise that tomorrow holds.*

FULLFILLING A DREAM

Submitted by: Brett Langolf

With warmer weather approaching, we can't help to think about spending time outside. Our members who are outdoor enthusiasts start planning (and dreaming) about golf, a half-marathon, or hitting the lake. This past winter two members, Brett and Katie Langolf, didn't have to wait until spring. They had a chance to

travel South, way South, and fulfill a dream.

Based on a record-setting performance at the Annapolis NOODs, their crew had been selected as the overall boat to represent the Annapolis Yacht Club in the Champions of Champions regatta in the British Virgin Islands. Selected as 1 of 5 overall winners in North America, this crew of 8 headed to Tortuga, BVI, to race some of the best in the world.

A collective group of the current who's-who in sailing greeted them—international sailing hero's, Volvo Ocean Racers, TV/Movie stars, Sailing World Magazine, former America's Cup crew and even the Disney Films star from the sailboat racing movie *Morning Light*.

A series of six races made up the week-long regatta on One Design 41-foot boats:

- Leg 0 - Cruise to Cooper Island
- Leg 1 - The Channel Islands Race
- Leg 2 - Spring Bay to Leverick Bay, Virgin
- Leg 3 - Leverick Bay, Virgin Gorda to Anagada
- Leg 4 - Anagada to Sandy Cay
- Leg 5 - Sandy Cay to Norman Island
- Leg 6 - Windward/Leeward Racing in The Bight Bay

This series of races led them to regatta stops that offered geological formations millions of years old in The Baths, guided them to the bar at the end of world, and even jumping off the transom to snorkel with a school of tarpon. Did they win? No. Did they care? No. Their finish kept them in the mix with some extremely talented pros and amateurs, but, honestly, their biggest concern was keeping the drinks cold for each race.

CONGRATULATIONS ARE IN ORDER
